-----------------------------	---

Year IV

Fall	
NSG 709 APN Capstone	1
NSG 711 Scholarly Project II	2
	3

Post-Master's FNP Certificate

If already an NP in another specialty area, the following courses are required:

Fall	Spring
NSG 616: Research Application	NSG 666: Advanced Health Assessment II
NSG 673: FNP Clinical III	NSG 674: FNP Clinical IV
NSG 681: Health & Illness Management	NSG 682: Health & Illness Management II

If not an NP, but with a master's degree in nursing, the following courses are required:

All courses in the NP track (36 credits).

A total of 12 transfer credits will be granted for core courses and/or NP specialty track courses if these courses taken elsewhere are equivalent and a grade of B or better has been earned.
